5sbarbara_20110622_2	6222011	Carol Benham	no			Santa Barbara	yes	While the new maps for Lompoc are an improvement over the current 24th congressional district, splitting Lompoc in half is tantamount to disenfranchising 42,000 people.
5ventura_20110621_2	6212011	Richard C Main	no		Santa Paula	Ventura	yes	The proposed maps are gerrymandered to attempt to dislodge Rep. Gallegly. This is simply Democratic politics and a continuation of the policies of Gov. Brown to eliminate the Republican party.
5ventura_20110621_3	6212011	Ronald Kirk	no		Camarillo	Ventura	yes	Equal representation will be denied if Ventura county is split up.
5ventura_20110621_3	6212011	Danielle Smith	no			Ventura	yes	Instead of nesting Santa Clarita with Malibu, it should be nested with East Ventura County. Keep Camarillo, Thousand Oaks, Moorpark, and Simi Valley connected to Santa Clarita for a senate seat.
6fresno_20110622	6222011	Carol Streit	no		Fresno	Fresno	yes	It is illogical to place Shaver Lake (located only 40 miles from Fresno) in the Sacramento congressional district. Sanger and Shaver Lake should be placed with Fresno.

6merced_20110621_2	6222011	Marshall Stephen Jones	no			Merced	yes	Merced and Santa Clara should not be placed together as they have different needs, and Merced is far more rural - which requires a different political sensibility than the one for Santa Clara.

6merced_20110622	6222011	Andrea Clark	no			Merced	yes	If the draft maps become permanent, then the Central Valley will lose its voice to San Jose in political matters in Sacramento.
6merced_20110622	6222011	John M. Derby	no			Merced	yes	It is simply common sense to allow Merced and Stanislaus counties to remain together, as any change will give more political power to the coastal counties of Santa Cruz and San Jose. This is not in the best interests of representative government.
